

# The Walnuts Shopping Centre, Orpington

*Role:*

## Structural Investigation and Advice

■ **Description**

Derrick Wade Waters were instructed by the client to undertake two structural surveys at these premises:

1. To carry out a visual inspection and report on the possible removal of structural columns within the atrium area of the Walnut Shopping Centre
2. To prepare a general structural report on the feasibility of installing an additional floor to Unit 85, The Walnuts Shopping Centre and give advice on possible solutions
